Chairman's letter

Dear Shareholder

I take pleasure in sending you the notice of the Annual General Meeting (the 'AGM' or 'Meeting') of CYBG PLC (the 'Company') (the 'Notice'). The Meeting is to be held at the Melbourne Convention and Exhibition Centre ('MCEC'), 1 Convention Centre Place, South Wharf, Melbourne, Victoria 3006, Australia on Wednesday 30 January 2019 at 10.00am (Melbourne time – AEDT). The Notice contains the resolutions on which shareholders are asked to vote. These are set out on pages 4 to 7 of this document. It is important you read the entire document before deciding how to vote. This document also contains Explanatory Notes which provide detailed information of the business to be conducted at the AGM (pages 8 to 14 of this document). All the resolutions are matters typically sought at the AGM for a UK public listed company and, in accordance with the UK Corporate Governance Code, all Directors will be seeking election or re-election at the AGM.

Website

A printed copy of the 2018 Annual Report and Accounts will only be sent to you if you have opted to receive a paper copy of that document. Otherwise you may now access the 2018 Annual Report and Accounts by visiting the www.cybg.com website. If at any time you would like to change your preference on how you receive documents, please contact our Registrar, Computershare, whose contact details are set out on page 20 of this document. By choosing to receive communications electronically, by email and on our website, you will have access to Company information more quickly. In addition, reducing the need to print shareholder communications supports our commitment to managing our business' environmental impact and helps us grow our business in a sustainable way.

Dividend

The Board of Directors (the 'Board') is recommending for approval at the AGM a final dividend of 3.1p per ordinary share in the Company in respect of the full financial year ended 30 September 2018. If approved, the dividend will be payable on 15 February 2019 to all shareholders who are on the register of members on 18 January 2019. To ensure you receive prompt payment

of your dividend, you are encouraged to have the dividend payment paid directly into a bank account. You can check or update your existing payment instructions by contacting the Company's Registrars, details of which are on page 20 of this document.

The AGM

Details of how to get to the venue are set out on page 19 of this document. The AGM is an opportunity for all shareholders to express their views by asking questions and voting. We recognise that not all shareholders will be able to attend in person and therefore all resolutions will be decided on a poll as this delivers a fairer representation of shareholder views and has become best practice at large company AGMs.

The AGM will be webcast live at 10.00am (Melbourne time – AEDT) on Wednesday 30 January 2019 on the Company's website www.cybg.com and a recording will also be available shortly after the conclusion of the AGM. Please note that viewing the live webcast does not enable shareholders to ask questions or vote during the AGM.

The results of voting on all the resolutions will be announced via the Regulatory News Service for the London Stock Exchange and the Australian Securities Exchange and published on the Company's website as soon as possible after the AGM.

Voting

There are different voting procedures depending on whether you hold shares listed on the London Stock Exchange or CDIs quoted on the Australian Securities Exchange. Please read the voting instructions on pages 16 to 18 of this document carefully to ensure you are aware of the arrangements affecting you. Even if you are unable to attend the Meeting, you can still vote and I would encourage you, regardless of the number of shares or CDIs you own, to vote on the resolutions set out on pages 4 to 7 of this document, by completing, signing and returning your Proxy Form or CDI Voting Instruction Form to the Company's Registrar, Computershare, at the relevant address specified on page 20 of this document. Alternatively, you may register your proxy appointment or CDI voting instructions electronically. Please see

pages 16 to 18 of this document and your Proxy Form or CDI Voting Instruction Form for details.

If you are a CDI holder and would like to attend and vote at the AGM in person, you must complete Option B of the CDI Voting Instruction Form to appoint yourself as CDN's proxy and return the form in accordance with the instructions on page 18 of this document and the CDI Voting Instruction Form. If you do not complete Option B of the CDI Voting Instruction Form you will only be able to attend the AGM and speak but you will not be able to vote.

Your Proxy Form or CDI Voting Instruction Form (either online or on paper) needs to be lodged so that it reaches the Company's Registrar, Computershare, by the time and date specified on that form and also in accordance with the instructions on pages 16 to 18 of this document.

If you have any enquiries about the AGM or about your shareholding, you can contact the Company's Registrar, Computershare. Contact details are listed on page 20 of this document.

Recommendation

Your Board considers that all of the resolutions set out in the Notice are in the best interests of the Company and its shareholders as a whole. The Board intends to vote in favour of all of them in respect of their own beneficial holdings and unanimously recommends that you do so as well.

Yours faithfully

Jim Pettigrew

 - (A) up to an aggregate nominal amount of £47,578,139 (such amount to be reduced by the aggregate nominal amount allotted or made under paragraph (B) below in excess of such sum); and

References in this resolution 19 to the nominal amount of rights to subscribe for or to convert any security into shares (including where such rights are referred to as equity securities as defined in section 560(1) of the Act) are to the nominal amount of shares that may be allotted pursuant to the rights.

General disapplication of pre-emption rights

20 That, in addition to the powers granted under resolutions 21 and 23, and all other authorities, and subject to the passing of resolution 19, the Directors be generally empowered pursuant to section 570 of the Companies Act 2006 (the 'Act') to allot equity securities (as defined in section 560(1) of the Act) for cash pursuant to the authority granted by that resolution and/or pursuant to section 573 of the Act to sell ordinary shares held by the Company as treasury shares for cash, in each case, as if section 561 of the Act did not apply to any such allotment or sale, such power to be limited:

securities (but in the case of an allotment pursuant to the authority granted under paragraph (B) of resolution 19, such power shall be limited to the allotment of equity securities in connection with an offer by way of a rights issue only):

- (i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
- (ii) to holders of other equity securities, as required by the rights of those securities or, subject to such rights as the Directors otherwise consider necessary,

and so that the Directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter; and

- (B) in the case of the authority granted under paragraph (A) of resolution 19 and/or in the case of any sale of treasury shares for cash, (in each case, otherwise than under paragraph (A) above), to the allotment of equity securities or sale of treasury shares up to a nominal amount of £7,136,720 calculated, in the case of equity securities which are rights to subscribe for, or to convert securities into, ordinary shares by reference to the aggregate nominal amount of relevant shares which may be allotted pursuant to such rights,

such power to apply until the end of the next Annual General Meeting of the Company (or, if earlier, until the close of business on 31 March 2020) (unless previously revoked or varied by the Company in general meeting) but, in each case, so that the Company may make offers, and enter into agreements before the authority expires, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the power expires and the Directors may allot (or sell) equity securities under any such offer or agreement as if the power had not expired.

- (A) limited to the allotment of equity securities and/or sale of treasury shares for cash up to an aggregate nominal amount of £7,136,720 calculated, in the case of equity securities which are rights to subscribe for, or to convert securities into, ordinary shares by reference to the aggregate nominal amount of relevant shares which may be allotted pursuant to such rights; and
- (B) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of this Notice,

such power to apply until the end of the next Annual General Meeting of the Company (or, if earlier, until the close of business on 31 March 2020) (unless previously revoked or varied by the Company in general meeting) but, in each case, so that the Company may make offers and enter into agreements before the power expires which would, or might, require equity securities to be allotted or rights to subscribe for or to convert any security into shares to be granted (or treasury shares to be sold) after the power ends and the Directors may allot equity securities or grant such rights (or sell treasury shares) under any such offer or agreement as if the power conferred hereby had not ended.

Notice of Annual General Meeting

Directors' authorities to allot equity securities in connection with AT1 Securities

22 That, in addition to any power granted under resolution 19 and all other existing authorities to allot equity securities which remain in full force and effect, the Directors be generally and unconditionally authorised, in accordance with section 551 of the Companies Act 2006 (the 'Act'), to exercise all powers of the Company to allot shares in the Company or grant rights to subscribe for, or convert any security into, shares in the Company:

- (A) up to an aggregate nominal amount of £15,000,000, provided that this authority shall be only used in connection with the conversion of the £160,000,000 fixed rate resettable additional tier 1 securities issued by Virgin Money Holdings (UK) plc on 31 July 2014 and £230,000,000 resettable additional tier 1 securities issued by Virgin Money Holdings (UK) plc on 10 November 2016 (together the 'Virgin Money AT1 Securities') into ordinary shares of the Company pursuant to the terms and conditions of each series of Virgin Money AT1 Securities; and
- (B) up to an aggregate nominal amount of £35,000,000, provided that this authority shall be only used in connection with the issue of further additional tier 1 securities (the 'AT1 Securities'): (a) where the Directors consider that such an issuance of AT1 Securities would be necessary or desirable, including in connection with, or for the purposes of complying with or maintaining compliance with, the regulatory requirements applicable to the Company and its subsidiaries from time to time; and (b) subject to applicable law and regulation, at such conversion prices (or such maximum and minimum conversion price methodologies) as may be determined by the Directors from time to time,

such authorities to expire (unless previously renewed, varied or revoked by the Company in general meeting) at the end of the annual general meeting of the Company to be held in 2024, but, in each case, the Company may, before the authority expires, make an offer or agreement which would, or might, require shares to be allotted or rights to be granted after it expires and the Directors may allot shares or grant rights in pursuance of any such offer or agreement as if the authority had not expired. References in this resolution 22 to the nominal amount of rights to subscribe for or to convert any security into shares (including where such rights are referred to as equity securities as defined in section 560(1) of the Act) are to the nominal amount of shares that may be allotted pursuant to the rights.

Disapplication of pre-emption rights in connection with AT1 Securities

23 That, in addition to any powers granted under resolutions 20 and 21, and all other existing authorities to allot equity securities which remain in full force and effect, and subject to the passing of resolution 22, and in accordance with section 570 of the Companies Act 2006 (the 'Act'), the Directors be generally empowered to allot equity securities (as defined in section 560(1) of the Act) wholly for cash pursuant to the authorities conferred in resolution 22:

- (A) up to an aggregate nominal amount of £15,000,000 in relation to a conversion of the £160,000,000 fixed rate resettable additional tier 1 securities issued by Virgin Money Holdings (UK) plc on 31 July 2014 and £230,000,000 resettable additional tier 1 securities issued by Virgin Money Holdings (UK) plc on 10 November 2016 into ordinary shares of the Company; and
- (B) up to an aggregate nominal amount of £35,000,000 in connection with any issue of further additional tier 1 securities,

in each case as if section 561 of the Act did not apply to any such allotment, such authorities to expire (unless previously renewed, varied or revoked by the Company in general meeting) at the end of the annual general meeting of the Company to be held in 2024, but the Company may, before the power expires, make an offer or agreement which would, or might, require equity securities to be allotted after it expires and the Directors may allot equity securities in pursuance of any such offer or agreement as if this power had not expired.

24 That the Company be generally and unconditionally authorised for the purposes of section 701 of the Companies Act 2006 (the 'Act') to make one or more market purchases (as defined in section 693(4) of the Act) of its ordinary shares of 10 pence each ('ordinary shares'), provided that:

Contingent Purchase Contract

25 That the terms of a contingent purchase contract between the Company and Macquarie Securities (Australia) Limited ('Macquarie') as identified in the contract (a draft of which is produced to the Meeting and initialled by the Chairman for the purposes of identification) ('CP Contract'), providing for off-market purchases (as defined in section 693(2) of the Companies Act 2006) by the Company of its ordinary shares of 10 pence each from Macquarie, those ordinary shares having being transmuted from CHESS Depository Interests ('CDIs'), purchased by Macquarie at the direction of the Company, be and are hereby approved, provided that:

(C) the price to be paid by the Company for such ordinary shares is the price paid by Macquarie for the relevant CDI plus expenses,

such authority to apply until the end of the next Annual General Meeting of the Company (or, if earlier, until the close of business on 31 March 2020) (unless previously revoked or varied by the Company in general meeting), but in each case, so that the Company may purchase ordinary shares under this authority which will or may be completed wholly or partly after the expiry of the authority as if the authority had not expired.

26 That in accordance with sections 366 and 367 of the Companies Act 2006 (the 'Act') the Company and all companies that are subsidiaries of the Company at any time during the period commencing on the date of this resolution and ending at the conclusion of the next Annual General Meeting of the Company or, if earlier, until the close of business on 31 March 2020, be and are hereby authorised:

- (A) to make political donations to political parties and/or independent election candidates (as such terms are defined in sections 363 and 364 of the Act), not exceeding £100,000 in total;

Explanatory notes

Resolution 1 (Ordinary Resolution)

Annual Report and Accounts

The Board asks that shareholders receive the Company's Annual Report and Accounts for the financial year ended 30 September 2018.

Resolution 2 (Ordinary Resolution)

Directors' Annual Report on Remuneration

This resolution seeks shareholder approval for the Directors' Annual Report on Remuneration (including the annual statement of the Committee Chair) which can be found on pages 84 to 114 (inclusive) of the 2018 Annual Report and Accounts. The Directors' Annual Report on Remuneration gives details of the implementation of the Company's payments and share awards made to the Directors in connection with their performance during the year ended 30 September 2018. This vote is advisory in nature and will not affect the way in which the remuneration arrangements have been implemented.

The Company's auditors during the year, Ernst & Young LLP, have audited those parts of the Directors' Remuneration Report that are required to be audited and their Report may be found on pages 172 to 179 (inclusive) of the 2018 Annual Report and Accounts.

Resolution 3 (Ordinary Resolution)

Dividend

This resolution will give the Board the authority to pay the recommended final dividend of 3.1p per ordinary share in the Company in respect of the full financial year ended 30 September 2018 to be payable on 15 February 2019 to all shareholders who are on the register of members on 18 January 2019.

Resolutions 4 to 16 (Ordinary Resolutions)

Election or Re-election of the Directors

On 15 October 2018, Geeta Gopalan, Darren Pope and Amy Stirling were appointed to the Board. In accordance with the Company's Articles of Association, they will each retire at this year's AGM and resolutions 4 to 6 (inclusive) propose their election by the Company's shareholders. The Board believes their balance of knowledge and skills combined with their diversity and business experience, makes a major contribution to the proper functioning of the Board and its Committees.

In accordance with the provisions of the UK Corporate Governance Code, all other Directors will retire at this year's AGM and will submit themselves for re-election under resolutions 7 to 16 (inclusive).

In the case of Jim Pettigrew, the Board is of the opinion that his significant and in-depth knowledge and experience of the Company and its subsidiaries (the 'Group') combined with his external business experience enables him to provide effective leadership of the Board and to continue to make a positive contribution to the Group's ongoing business.

In the case of Clive Adamson, David Bennett, Paul Coby, Geeta Gopalan, Adrian Grace, Fiona MacLeod, Darren Pope, Dr Teresa Robson-Capps and Tim Wade, the Board considers that they are each independent in character and judgement and each provides a strong, non-executive presence on the Board. Amy Stirling is not considered by the Board to be independent as her appointment as a Non-Executive Director is pursuant to the right of Virgin Enterprises Limited to nominate a director under the terms of a Brand Licence Agreement.

The Governance and Nomination Committee has concluded that each Director is able to continue to perform effectively and demonstrate substantial commitment to their roles.

Further information about the Board's collective achievements during the year is given in the Corporate Governance Report contained within the 2018 Annual Report and Accounts on pages 47 to 119 (inclusive). Resolution 17 (Ordinary Resolution)

Re-appointment of Auditors

The Company is required at each general meeting at which accounts are presented to shareholders to appoint auditors to hold office until the next such meeting. The Audit Committee has assessed the effectiveness, independence and objectivity of the auditors, Ernst & Young LLP, and concluded that the external auditors were in all respects effective. Resolution 17, which has been recommended to the Board by the Audit Committee, seeks the re-appointment of Ernst & Young LLP as auditors of the Company to hold office until the next general meeting at which accounts are presented.

Resolution 18 (Ordinary Resolution)

Remuneration of Auditors

Resolution 18 will, if passed, authorise the Audit Committee to set the remuneration of the external auditors.

Resolution 19 (Ordinary Resolution)

Directors' general authorities to allot shares

Paragraph (A) of resolution 19 seeks authority for the Directors to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal amount equal to £47,578,139 (representing 475,781,390 ordinary shares of 10 pence each) less any shares or rights granted pursuant to paragraph (B) of resolution 19. Paragraph (B) of resolution 19 seeks authority for the Directors to allot ordinary shares up to a further nominal amount of £47,578,139 (representing 475,781,390 ordinary shares of 10 pence each) provided that these shares are allotted for cash only to existing shareholders pursuant to a rights issue less any shares or rights granted pursuant to paragraph (A) of resolution 19.

Explanatory notes

The aggregate nominal value of the shares for which authority to allot under resolution 19 is sought is equivalent to approximately two-thirds of the nominal issued ordinary share capital of the Company as at 6 December 2018, being the latest practicable date prior to publication of the Notice.

This authority being sought renews the authority given to Directors at last year's Annual General Meeting and is in line with the Share Capital Management Guidelines ('IA Guidelines') issued by the Investment Association (IA). The IA is a UK body which represents institutional investors and the guidelines it issues represent the expectations of its members.

The IA Guidelines state that, in addition to Directors' requests for authorisation to allot new shares in an amount up to one third of a Company's existing issued ordinary share capital (as proposed in paragraph (A) of resolution 19), IA members will regard as routine any requests to authorise the allotment of shares in an amount up to a further one-third (as proposed in paragraph (B) of resolution 19), provided that any shares allotted in an amount exceeding one-third are used solely for a rights issue and that the authority is only valid until the next Annual General Meeting.

The authorities sought under paragraphs (A) and (B) of resolution 19 will expire on the earlier of 31 March 2020 and the conclusion of the next Annual General Meeting of the Company (unless otherwise varied, revoked or renewed).

The Directors have no present intention to exercise either of the authorities sought under resolution 19, and are requesting it only to ensure that the Company maintains the maximum flexibility permitted to manage its capital resources.

If passed, the authority granted pursuant to resolution 19 will exist in addition to the allotment authorities currently in existence relating to (i) the issue of shares up to an aggregate nominal amount of £200,000,000 pursuant to the terms of a conduct indemnity deed entered into between the Company and National Australia Bank in connection with the demerger (the 'Conduct Indemnity Authority') and (ii) the issue of shares up to an aggregate nominal amount of £450,000,000 in connection with the

issue by the Company of £450,000,000 fixed rate reset perpetual subordinated contingent convertible notes (the 'Convertible Notes Authority') and the allotment authorities being sought pursuant to resolution 22 relating to the issue of shares up to an aggregate nominal amount of £15,000,000 in connection with the issue by Virgin Money Holdings (UK) plc of £160,000,000 fixed rate resettable additional tier 1 securities and £230,000,000 resettable additional tier 1 securities.

As at 6 December 2018 (being the latest practicable date prior to publication of the Notice), the Company did not hold any ordinary shares in treasury.

Resolutions 20 and 21 (Special Resolutions)

General disapplication of pre-emption rights

The Pre-emption Group's Statement of Principles, as updated in March 2015, supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities and sales of treasury shares for cash representing no more than 5% of the issued ordinary capital (exclusive of treasury shares), without restriction as to the use of proceeds of those allotments.

Accordingly, resolution 20 allows the Directors to allot shares and sell treasury shares for cash on a non pre-emptive basis, i.e. without first having to offer them to existing shareholders in proportion to their holdings, up to a nominal value of £7,136,720 (representing 71,367,200 ordinary shares of 10 pence each). This aggregate nominal amount represents approximately 5% of the total issued ordinary share capital of the Company as at 6 December 2018, being the latest practicable date prior to publication of the Notice. On that date the Company did not hold any shares in treasury.

The Pre-emption Group's Statement of Principles also supports the annual disapplication of pre-emption rights in respect of allotments of shares and sales of treasury shares for cash representing no more than an additional 5% of issued ordinary share capital (exclusive of treasury shares), to be used in connection with an acquisition or specified capital investment.

The Pre-emption Group's Statement of Principles defines "specified capital investment" as meaning one or more specific capital investment related uses for the proceeds of an issue of equity securities, in respect of which sufficient information regarding the effect of the transaction on the Company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

Accordingly, and in line with the template resolutions published by the Pre-emption Group in May 2016, the purpose of resolution 21 is to authorise the Directors to allot new shares pursuant to the allotment authority given by resolution 19, or sell treasury shares for cash up to a further nominal amount of £7,136,720 (representing 71,367,200 ordinary shares of 10 pence each) equivalent to approximately 5% of the total issued ordinary share capital of the Company as at 6 December 2018, only in connection with an acquisition or specified capital investment which is announced contemporaneously with an allotment or sale, or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment or sale. If the authority given in resolution 21 is used, the Company will publish details of the allotment or sale in the next Annual Report and Accounts.

If passed, the authorities granted pursuant to resolutions 20 and 21 will exist in addition to the disapplication of pre-emption rights authorities currently in existence relating to the Conduct Indemnity Authority and the Convertible Notes Authority.

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles and not to allot shares or other equity securities or sell treasury shares for cash on a non-pre-emptive basis pursuant to the authority in resolution 20 in excess of 7.5% of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three-year period, other than with prior consultation with shareholders or in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and disclosed in the announcement of the allotment or sale.

The authorities sought under resolutions 20 and 21 will expire on the earlier of 31 March 2020 and the conclusion of the next Annual General Meeting of the Company (unless otherwise varied, revoked or renewed).

Resolution 22 (Ordinary Resolution)

Directors' authorities to allot equity securities in connection with AT1 Securities

Paragraph (A) of resolution 22 seeks authority for the Directors to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal amount equal to £15,000,000 (representing 150,000,000 ordinary shares of 10 pence each) in connection with the conversion of £160,000,000 fixed rate resettable additional tier 1 securities and £230,000,000 resettable additional tier 1 securities issued by Virgin Money Holdings (UK) plc, a subsidiary of the Company (together the 'Virgin Money AT1 Securities'), into ordinary shares in the Company in the event that the common equity tier 1 ratio of the Issuer Group (as defined in the terms and conditions of those Virgin Money AT1 Securities) fall below a threshold specified in those terms and conditions (a 'Trigger Event'). Paragraph (B) of resolution 22 seeks authority for the Directors to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal amount equal to £35,000,000 (representing 350,000,000 ordinary shares of 10 pence each) in connection with the issue of further additional tier 1 securities where the Directors consider these necessary or desirable including in connection with, or for the purposes of complying with or maintaining compliance with the regulatory requirements applicable to the Company and its subsidiaries, and subject to applicable law and regulation, at conversion prices or in accordance with conversion methodologies determined by the Directors.

The authorities sought under resolution 22 will expire on the conclusion of the Annual General Meeting of the Company to be held in 2024 (unless otherwise varied, revoked or renewed).

If passed, the authorities granted pursuant to resolution 22 will exist in addition to the allotment authorities currently in existence relating to (i) the issue of shares up to an aggregate nominal amount of £200,000,000 pursuant to the terms of a conduct indemnity deed entered into between the Company and National Australia Bank Limited in connection with the demerger (the 'Conduct Indemnity Authority') and (ii) the issue of shares up to an aggregate nominal amount of £450,000,000 in connection with the issue by the Company of £450,000,000 fixed rate reset perpetual subordinated contingent convertible notes (the 'Convertible Notes Authority'), and the general authorities being sought pursuant to resolution 19.

Resolution 23 (Special Resolution)

Disapplication of pre-emption rights in connection with AT1 Securities

Resolution 23 allows the Directors to allot shares on a non pre-emptive basis, i.e. without first having to offer them to existing shareholders in proportion to their holdings, up to a nominal value of £15,000,000 (representing 150,000,000 ordinary shares of 10 pence each) in relation to a conversion of Virgin Money AT1 Securities into ordinary shares in the Company, and up to a nominal value of £35,000,000 (representing 350,000,000 ordinary shares of 10 pence each) in connection with any issue of additional AT1 securities, in each case as if section 561 of the Act (existing shareholders' right of pre-emption), to the extent applicable, did not apply to any such allotment.

The authorities sought under resolution 23 will expire on the conclusion of the Annual General Meeting of the Company to be held in 2024 (unless otherwise varied, revoked or renewed).

If passed, the authorities granted pursuant to resolution 23 will exist in addition to the disapplication of pre-emption rights authorities currently in existence relating to the Conduct Indemnity Authority and the Convertible Notes Authority, and the general authorities being sought pursuant to resolutions 20 and 21.

Resolution 24 (Special Resolution)

Authority to make market purchases of own shares

The authority being sought renews the authority given to Directors at last year's Annual General Meeting and pursuant to that authority there have been no ordinary shares that have been repurchased during the year. Resolution 24, which will be proposed as a special resolution, seeks shareholders' approval of the purchase by the Company of a maximum number of shares which, taken together with any ordinary shares purchased by the Company pursuant to resolution 25 is 142,734,419 ordinary shares representing approximately 10% of the issued share capital of the Company as at 6 December 2018 (being the latest practicable date prior to the publication of the Notice).

The Directors have no present intention of exercising the authority to make market purchases. However, the authority provides the flexibility to allow them to do so in the future.

The Directors will exercise this authority only when to do so would be in the best interests of the Company and of its shareholders generally and would lead to an increase in the Company's earnings per share.

Any purchase of ordinary shares would be by means of market purchases.

Ordinary shares purchased by the Company pursuant to this authority may be held in treasury or may be cancelled. The Directors will consider holding any ordinary shares the Company may purchase as treasury shares. The minimum price, exclusive of expenses, which may be paid for an ordinary share is 10 pence, its nominal value. The maximum price, exclusive of expenses, which may be paid for an ordinary share is the highest of (i) an amount equal to 5% above the average middle market value for an ordinary share as derived from The London Stock Exchange Daily Official List for the five business days immediately preceding the date on which that ordinary share is contracted to be purchased and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venue where the purchase is carried out.

Explanatory notes

The Company has share awards outstanding over 7,229,389 ordinary shares, representing 0.51% of the Company's issued share capital as at 6 December 2018. If the existing authority given at the 2018 Annual General Meeting and the authority now being sought by resolution 24 and resolution 25 were to be fully used, the shares so acquired would represent approximately 0.60% of the Company's issued share capital.

This authority will expire on the earlier of 31 March 2020 and the conclusion of the next Annual General Meeting of the Company (unless otherwise varied, revoked or renewed).

Resolution 25 (Special Resolution)

Contingent Purchase Contract ('CP Contract')

The Company is not able to purchase CDIs directly on the Australian Securities Exchange and so the authority sought at resolution 24 cannot be used for market purchase of CDIs. In order to purchase CDIs, the Company would need to make off-market purchases in accordance with section 694 of the Act.

The authority being sought by resolution 25 will allow the Company to make off-market purchases of ordinary shares implemented by entering into the CP Contract with Macquarie Securities (Australia) Limited ('Macquarie'). It is proposed that Macquarie would buy CDIs on the Australian Securities Exchange and then convert those CDIs into ordinary shares ('Converted Shares').

The Company would then have an obligation to buy any Converted Shares from Macquarie up to a maximum as explained below.

Section 694 of the Act provides that the terms of any off-market buy-back contract must be approved by shareholders. Resolution 25, which will be proposed as a special resolution, seeks shareholders' approval of the terms of the CP Contract pursuant to which the Company will purchase a maximum number of Converted Shares which, taken together with any ordinary shares purchased by the Company pursuant to resolution 24, would be limited

to 142,734,419 ordinary shares representing approximately 10% of the issued share capital of the company as at 6 December 2018 (being the latest practicable date prior to the publication of the Notice).

The Directors have no present intention of exercising the authority to make off-market purchases. However the authority provides the flexibility to allow them to do so in the future. The Directors will exercise this authority pursuant to this resolution and resolution 24 only when to do so would be in the best interests of the Company and of its shareholders generally and would lead to an increase in the Company's earnings per share.

Under the terms of the CP Contract, the minimum price (exclusive of expenses) which may be paid by Macquarie for a CDI is the Australian dollar equivalent of 10 pence per CDI. The maximum price (exclusive of expenses) which may be paid by Macquarie for a CDI is the highest of (i) an amount equal to 5% above the average closing price for a CDI for the previous five business days preceding the day on which the Company instructs Macquarie to purchase CDIs on which sales of CDIs were recorded on the Australian Securities Exchange and (ii) the higher of the price of the last independent trade and the highest current independent bid for a CDI on the trading venue where the purchase is carried out. The price to be paid by the Company for a Converted Share is the price paid by Macquarie for the relevant CDI plus expenses.

Converted Shares purchased under this authority may be held in treasury or they may be cancelled. The Directors will consider holding any Converted Shares the Company may purchase as treasury shares.

This authority will expire on the earlier of 31 March 2020 and the conclusion of the next Annual General Meeting of the Company (unless otherwise varied, revoked or renewed).

A draft of the CP Contract referred to in this resolution is available for inspection by members of the Company at the Company's registered office and also the Company's office at 15th Floor, 122 Leadenhall Street, London, EC3V 4AB,

United Kingdom during office hours from and including 14 December 2018 up to and including 30 January 2019 and will be available from 9.00am (Melbourne time – AEDT) on 30 January 2019 at the AGM venue until the conclusion of the Meeting.

Resolution 26 (Ordinary Resolution)

Authority to make political donations

It is the Company's policy not to make any donations to political parties or incur political expenditure within or outside of the EU within the ordinary meaning of those words. However, given the wide definition of donations and expenditure within the Act, activities which form part of the regular operations of the Company such as communicating with government at local, national and European level and funding events to which politicians are invited, may be covered.

Part 14 of the Act requires companies to obtain shareholders' authority for donations to registered parties and other political organisations totalling more than £5,000 in any twelve month period and for any political expenditure, subject to limited exceptions.

The Board seeks to obtain authority in accordance with sections 366 and 367 of the Act for the Group to incur political expenditure or make political donations, as defined in section 365 of the Act, not exceeding £100,000 in aggregate during the period from the date of the Meeting to the conclusion of the Company's next Annual General Meeting or 31 March 2020, whichever is earlier.

This authority is similar to that given by shareholders at the AGM in 2018 and is a precautionary measure to ensure that the Group does not inadvertently breach the Act. This authority is being sought for prudence and will not be used to make political donations within the normal meaning of that expression.

General information

Publication of Audit concerns

Under section 527 of the Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 (requirements as to website availability) of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Meeting includes consideration of any statement that the Company has been required under section 527 of the Act to publish on a website.

Voting information for holders of ordinary shares other than CDI holders

Entitlement to vote at the Annual General Meeting ('AGM')

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, as amended, and section 360B of the Act, to be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at 11.00pm (London time – GMT) on 25 January 2019 (or, in the event of any adjournment, at 11.00pm (London time – GMT) on the date which is two working days before the time of the adjourned AGM). Changes to entries on the Register of Members after the relevant deadline will be disregarded in determining the rights of any person to attend and vote at the AGM.

Voting ahead of the AGM

Your vote is important whether you are able to attend the AGM or not.

Voting on all resolutions will be conducted by way of a poll. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting.

Proxy Form

Make your vote count. If you cannot attend and vote at the AGM, you can still vote by proxy either by:

- Completing and returning a Proxy Form; or
- Registering your proxy vote electronically by logging on to the Registrar's website, www.investorcentre.co.uk/eproxy using your Control Number, the Shareholder Reference Number (SRN) and PIN (printed on the Proxy Form) or by using the CREST electronic proxy appointment service.

The return of a completed Proxy Form, other such instrument or any CREST Proxy Instruction will not prevent a shareholder attending the AGM and voting in person if he/ she wishes to do so.

Proxy voting

A Proxy Form for use by shareholders is enclosed with this Notice. If you wish to vote by proxy on any of the resolutions, you should complete and return your Proxy Form to the Company's Registrar, Computershare Investor Services PLC, at The Pavilions, Bridgwater Road, Bristol, BS99 6ZY, United Kingdom as soon as possible, but in any event so as to arrive no later than 11.00pm (London time – GMT) on 25 January 2019 (or, in the event of any adjournment, so as to arrive no later than two working days before the time appointed for the meeting). Your proxy need not be a shareholder, but must attend the AGM for their vote to count. The number of shares you hold as at 11.00pm (London time – GMT) on 25 January 2019 will determine how many votes you or your proxy will have. You can appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attaching to different shares held by you.

Details of how to appoint the Chairman or another person as your proxy using the Proxy Form are set out in the notes to the Proxy Form. If a shareholder appoints the Chairman of the Meeting as proxy and does not direct the Chairman how to vote on a resolution, then when the Chairman votes as proxy on a poll, his current intention is to vote in favour of each of the proposed resolutions. The Chairman will also have discretion as to how to vote on any other resolution which may properly come before the Meeting (e.g. a request for an adjournment). The Chairman's intention necessarily expresses his intention at the date this Notice was printed and prior to circulation to shareholders and therefore, in exceptional circumstances, the Chairman's intention may change subsequently. Appointing a proxy does not preclude you from attending the Meeting and voting in person.

Electronic proxy voting

Shareholders who would prefer to register the appointment of their proxy electronically by way of the internet can do so by logging onto the website of the Company's Registrar: www.investorcentre.co.uk/eproxy using their Control Number, Shareholder Reference Number (SRN) and PIN (printed on the Proxy Form). Full details of the procedures are given on the Computershare website. Electronic appointments and/or voting instructions must be received by Computershare Investor Services PLC no later than 11.00pm (London time – GMT) on 25 January 2019. Please note that any electronic communication sent to the Company or the Registrar that is found to contain a computer virus will not be accepted. The use of the internet service in connection with the AGM is governed by Computershare Investor Services PLC's conditions of use set out on the website <https://www.investorcentre.co.uk/eproxy> and may be read by logging on to that site.

CREST proxy voting

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 30 January 2019 and any adjournment(s) thereof by using the procedures described in the CREST Manual by logging onto the website www.euroclear.com/CREST CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instructions as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy

or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by 11.00pm (London time – GMT) on 25 January 2019. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting system providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001, as amended.

Proxy appointed under power of attorney or other authority

Proxy instructions given under authority on behalf of a holder of ordinary shares must be submitted by mailing a Proxy Form. If the Proxy Form is signed under a power of attorney or other authority on behalf of a shareholder, then the attorney must make sure that either the original power of attorney or other authority or a certified copy is sent to the Company's Registrar, Computershare Investor Services PLC, by 11.00pm (London time – GMT) on 25 January 2019 (or, in the event of any adjournment of the AGM, so as to arrive no later than two working days before the time of the adjourned meeting). Persons voting under a power of attorney must do so by using the hard copy Proxy Form.

Voting by corporate representatives

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member, provided that where more than one is appointed they do not do so in relation to the same shares. A corporate representative letter is available from Computershare on request.

Indirect investors

Any person to whom this Notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a 'Nominated Person'), may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may under any such agreement have a right to give instructions to the shareholder as to the exercise of voting rights.

The statement of the rights of shareholders in relation to the appointment of proxies above does not apply to Nominated Persons. The rights described in that paragraph can only be exercised by shareholders of the Company.

Voting information for CDI holders

Entitlement to vote at the AGM

Only those CDI holders entered in the register of CDI holders of the Company as at 7.00pm (Melbourne time – AEDT) on 25 January 2019 (or, in the event of any adjournment on the date which is two working days before the time of the adjourned AGM) are entitled to provide voting instructions to CDN in respect of the number of CDIs registered in their name at that time. Changes to entries on the register of CDI holders after the relevant deadline will be disregarded in determining the rights of any person to provide voting instructions to CDN in regard to the AGM.

Voting by poll

Your vote is important whether you are able to attend the AGM or not.

Voting on all resolutions will be conducted by way of a poll. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting.

Exercising your voting rights

To exercise your voting rights you must complete and return the CDI Voting Instruction Form. There are two different options on the CDI Voting Instruction Form and you must choose one if you want to exercise your voting rights:

– Option A: Appoint CDN to exercise your voting rights

Do not select this option if you wish to attend and vote at the Meeting in person.

Appoint CDN to exercise the voting rights attached to the ordinary shares it holds on your behalf. If you choose this option, you must direct CDN how to vote on each of the resolutions by completing Section C of the CDI Voting Instruction Form.

– Option B: Instruct CDN to appoint yourself or another person as its proxy

Instruct CDN to appoint yourself or any other person (i.e. the Chairman of the Meeting) as its proxy in respect of the ordinary shares it holds on your behalf so that you or the other person can attend the AGM in person and vote on each of the resolutions. If you choose this option, you may direct the person you instruct CDN to appoint (as its proxy) how to vote on each of the resolutions by completing Section C of the CDI Voting Instruction Form. If you do not direct the person how to vote on a resolution, they may vote as they choose on the resolution. The person you direct CDN to appoint as its proxy does not need to be a shareholder of the Company but must attend the Meeting for their vote to count.

If you instruct CDN to appoint the Chairman of the Meeting as its proxy but do not direct the Chairman how to vote on a resolution, then when the Chairman votes as proxy on a poll, his current intention is to vote in favour of each of the proposed resolutions. The Chairman will also have discretion as to how to vote on any other resolution which may properly come before the Meeting (e.g. a request for an adjournment). The Chairman's intention necessarily expresses his intention at the date this Notice was printed and prior to circulation to securityholders and therefore, in exceptional circumstances, the Chairman's intention may change subsequently.

You must choose option B of the CDI Voting Instruction Form and instruct CDN to appoint yourself as its proxy if you wish to attend and vote at the Meeting in person. If you do not complete Option B of the CDI Voting Instruction Form you will only be able to attend the AGM and speak but you will not be able to vote.

The number of CDIs you hold as at 7.00pm (Melbourne time – AEDT) on 25 January 2019 will determine how many votes you can exercise.

CDI Voting Instruction Forms can be submitted:

- By mail by sending the enclosed CDI Voting Instruction Form to Computershare Investor Services Pty Limited, GPO Box 242, Melbourne, Victoria 3001, Australia.

If your CDI Voting Instruction Form is not received by then, it will be disregarded.

Voting instructions provided under power of attorney or other authority

Voting instructions given under authority on behalf of a holder of CDIs must be submitted by mailing a CDI Voting Instruction Form. If the CDI Voting Instruction Form is signed under a power of attorney or other authority on behalf of a CDI holder, then the attorney must make sure that either the original power of attorney or other authority or a certified copy is sent to Computershare Investor Services Pty Limited, by 9.00pm (Melbourne time – AEDT) on 25 January 2019 (or, in the event of any adjournment, on the date which is two working days before the time of the adjourned AGM).

Business of the AGM

The AGM is held to conduct certain formal business. The formal resolutions which are to be put to the Meeting are detailed on pages 4 to 7 of this Notice. All the resolutions are matters typically sought at the AGM for a UK public listed company and, in accordance with the UK Corporate Governance Code, all Directors will be seeking election or re-election at the AGM. There will also be an opportunity for shareholders and CDI holders to ask questions relating to the business of the Meeting.

Asking questions

Any shareholder or a CDI holder attending the AGM will have the opportunity to ask questions, but we would ask you to keep your questions and statements short and relevant to the business of the AGM to allow everyone who wishes to speak the chance to do so.

There may be many shareholders or CDI holders who wish to ask questions. In order to facilitate this, those wanting to ask a question at the AGM are requested to register their question at the Question Registration Point in the foyer. When called upon to ask your question at the AGM, please be considerate of others who may have waited for some time to ask their question and do not make speeches or ask multiple or repetitive questions.

The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.

AGM Webcast

The AGM will be webcast live at 10.00am (Melbourne time – AEDT) on Wednesday 30 January 2019 on the Company's website www.cybg.com and a recording will also be available shortly after the conclusion of the AGM.
